

ArtLease
Foundation Barossa

Support your regional foundation by
leasing an art work from the
Barossa Vintage Festival Art Collection

“giving today to enable tomorrow”

Bring a part of Barossa’s cultural heritage into your home or workplace.

Award winning art works from the Barossa Vintage Festival

Art Collection are now available for annual lease.

ArtLease by Foundation Barossa

Foundation Barossa’s ArtLease service gives you the opportunity to display your choice of an art work from the Barossa Vintage Festival Art Collection.

For a fraction of the cost of ownership, ArtLease gives you the opportunity to support your community and to enhance your home, business or workspace. Leasing through ArtLease is 100% tax deductible.

Selecting an art work is a personal experience. A catalogue of available art works can be viewed on the Foundation Barossa website. We’ll provide an advisor who will come to your workplace to understand your space and preferences.

Affordability

Art works are available for \$1,000 per year. Insurance is compulsory, however most insurance companies will add the leased art work to your standard contents policy for little or no extra cost.

Delivery

You are responsible for transport of the art work between the Barossa Regional Gallery and your workplace. All art works are packed in custom made archive boxes, and our art advisor will supervise the hanging of the work.

Agreement

Once you have chosen your art work, you’ll sign an agreement for 12 months. Leases can be extended for a further year (depending on the availability of the piece), or you can choose a new art work.
